

Dear Valued Clients,

As the year draws to a close, we would like to inform you about some important dates and events that will impact our operations at Lumax Energy.

Year-End Function Closure

On Friday, November 24th, 2023, Lumax Energy will be closed in celebration of our annual year-end function. Please note that on this day, no deliveries or collections will be scheduled for either clients or suppliers. We appreciate your understanding and apologise for any inconvenience this may cause. Our team will be back to regular business hours on the following business day, Monday, November 27th, 2023.

Annual Shutdown

Our annual company shutdown will commence on Friday, December 22nd, 2023, and will continue until Tuesday, January 3rd, 2024. During this period, our operations will be suspended to allow our dedicated employees to spend quality time with their loved ones over the holiday season and for essential maintenance tasks.

As we approach the holiday season, we would also like to take this opportunity to extend our warmest wishes to you and your families. May your December break be filled with joy, relaxation, and memorable moments.

We would like to express our heartfelt gratitude for your unwavering support throughout 2023. Your trust and partnership have been instrumental in our success, and we are truly grateful for the opportunity to serve you. We look forward to continuing our journey together in the new year, and we are excited about the possibilities that 2024 holds for us.

Please plan your orders and deliveries, accordingly, considering the shutdown period, to ensure a seamless experience with Lumax Energy. If you have any specific requirements or urgent matters that need attention before or after our year-end function and annual shutdown, please do not hesitate to reach out to our customer support team. We will make every effort to assist you promptly.

We wish you a joyful and prosperous holiday season. May the coming year be filled with success, happiness, and energy solutions that power your aspirations.

Warm regards,

Wesley Palm
Sales and Marketing Manager
